NOTICE OF CLOSURE COVID-19

After carefully considering the rapidly evolving COVID-19 pandemic and the Public Health Agency of Canada's advice on social distancing to help slow the spread of illness, we have made the decision to cancel all Golden Age Activity Centre Programs indefinitely. We will regularly reassess the situation and reopen our Centre as soon as it's safe for you and our broader community.

This was a difficult decision to make. We understand the importance of our Golden Age Activity Centre programming and the key role in the health and wellness of our senior community. Right now, we're in an unprecedented situation and our priority is to follow the guidance of Public Health to do everything possible to best protect our community members, volunteers and staff.

As mentioned, we will continue to closely monitor the COVID-19 situation and reopen the Golden Age Activity Centre as soon as we can.
